

# Sponsorship Invitation 'India Clean Air Summit 2022'

The Center for Study of Science, Technology and Policy (CSTEP) is organising its annual flagship event 'India Clean Air Summit (ICAS) 2022', one of the largest events on air pollution in India. This event is being organised in collaboration with the Air Sensors International Conference (ASIC), UC Davis.

**ICAS sponsors can present their technology & company profile to a wider audience.**

- A booth space will be allocated on a first-come, first-served basis to 15 organisations.
- A special session will be organised for the sponsors to introduce themselves and exhibit their technology/research to the audience.
- Policymakers, industry representatives, citizen groups, scientists, and academicians are expected to participate at ICAS 2022.
- **ICAS Media Outreach:** ICAS 2021 was extensively covered by media outlets, including local and national newspapers.
